REMARKS

The foregoing amendments to the claims are fully supported in the written description and claims as originally filed. Dependent claims 2-5, 7-14, 16-19, and 21-28 have been amended to correct antecedent basis, i.e., to refer to "claim" as opposed to "embodiment," in accordance with their proper relationship to their respective base claims. Accordingly, the foregoing amendments do not add new matter; their entry is therefore respectfully requested.

Claims 1-28 are pending in the application. Applicants believe that the present application is now in condition for examination. If the Examiner believes, for any reason, that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned agent at the number provided. Prompt and favorable consideration of the foregoing amendments, and entry of the same into the present application prior to calculation of the claim fees, are respectfully requested.

Respectfully submitted,
